Patient Participation Group

We are currently proactively trying to recruit new PPG Member's willing to get involved in

Your surgery needs you!

Have you ever thought about joining our Patient Participation Group?

Pharmacy First

You can be referred to the “Pharmacy First” service, where the pharmacist will call you to discuss your ailment and advice the possible medication treatment. This will allow you to receive alternative clinical guidance.

Specialist Musculoskeletal Clinician Joined the surgery

Spinney Hill Medical Centre now has a specialist Musculoskeletal clinician who you are able to see you Face to Face every Wednesday & Thursday. If you have any of the following problems, then please call the surgery and request to be booked in with the specialist:

- All soft tissue injuries, sprains, strains and sports injuries
- Arthritis—any joint
- Problems with muscles, ligaments, tendons or bone EG: Tennis Elbow, Carpal Tunnel Syndrome, Ankle Sprains
- Spinal pain including lower back pain, mid-back pain and neck pain
- Spinal-related pain in arms or legs including nerve symptoms EG: Pins and Needles or numbness
- Post-Orthopaedic surgery

- 01 - The specialist will be able to assess you and diagnose what is happening.
- 02 - Give expert advice on how best to manage your condition
- 03 - Refer you on to specialist services if necessary / Refer for further investigation.
